SUBMISSION OF FORMAL DRAWINGS

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Formal drawings were required by form PTOL-37 attached to the Notice of Allowance and by form PTO-948. Applicant herewith submits replacement drawings that are believed to satisfy all requirements. These drawings are of record. No new matter is presented.

Should the attached drawings not be found fully in compliance with all requirements, Applicant respectfully requests prompt notice by telephone in order to accomplish expeditious correction within the term allotted.

Respectfully submitted,

Date: 10-23-06

Filing Date: September 21, 2006

Title: Improved Method Of Interference Cancellation In Communication
Systems

COMMISSIONER FOR PATENTS

P.O. BOX 1450

ALEXANDRIA, VA 22313-1450

SIR:

**REQUEST FOR REFUND OF DUPLICATE APPLICATION
AND ABANDONMENT OF SAME**

On September 21, 2006, Lucent Technologies inadvertently mailed Lucent patent application Sanders 6-25, US Serial No. 11/524,736, which is a duplicate of Lucent's patent application Kong 41-21, US Serial No. 11/523,853, filed September 20, 2006.

As soon as the error was discovered, Margaret Cardoso, secretary for Lucent Technologies, contacted the U. S. Patent Office and spoke to Mrs. Robinson. Mrs. Robinson said to wait until the serial number was received, and then notify the Patent Office that the application would not be pursued because of the duplication and request a refund for the application fee at that time.

Lucent Technologies therefore requests that Sanders 6-25 (11/524,736) be abandoned, dropped or whatever is appropriate, and an application fee refund of \$1000 be credited to **Lucent Technologies Deposit Account No. 12-2325**.

Respectfully submitted,

Lucent Technologies Inc.
